

KENT FOSTER CARE ASSOCIATION

FOSTER CARER CONFERENCE

Following an OFSTED report which was critical of KCC services for children, KCC has implemented a major improvement program. Many of the activities are co-ordinated by the Corporate Parenting group which is chaired by Liz Totman. There is an enormous amount of positive activity taking place and foster carers need to know what is happening.

It is, therefore, our plan to devote our annual Foster Carer Conference / AGM to informing foster carers of the activities taking place and how it will effect them. We are making time to allow carers to question an expert panel on any issues related to fostering covering all the significant departments that provide services to LAC and Foster Carers.

This is an important event which all foster carers need to find time to attend—the impact of the changes will effect all of us. This conference is provided by foster carers for foster carers— we hope to see many of you in attendance.

The conference will be held on Wednesday 07 March 2012 at Lenham Community Centre at 10am with coffee and registration from 9:30. We will close by 2:30 and a light lunch will be served.

Please book your place as soon as possible. To book your places please contact Maria Dobner providing your name and area (MK EK1 EK2 WK).
